Annual Leave:	20 Days plus 8 Bank/Public Holidays
Hourly Rate:	£10.50 - £15 per Hour (Dependant on Experience)
Reporting to:	National Contracts Manager

ESP Play are a leading provider of playground equipment, as we enter our 20th Year our business is going through an exciting stage, as it continues to expand having recently moved into the Play Parks market, there has never been a better time to join our team. We have an ambitious growth plan, and we need the right people on board to take us to the next level, if you are that person, we would love to hear from you.

At ESP, we believe that children deserve the best playgrounds. That is why we design, manufacture, and install outdoor play equipment that transforms dull areas into vibrant spaces for enjoyment and learning.

We are one big work family who support each other, and we take on challenges together, it is easy to feel alone when working remotely on installation sites, but at ESP you have a full team to support you in the office, with team members also attending the installation regularly to offer site support.

The role:

Installing Playground Equipment, Groundworks, Drainage, Artificial Grass, Wetpour, Mulch Surfaces, Thermoplastic Markings and Timber Structures to all our client base nationwide.

You must be prepared to work away Monday to Friday, however depending on the location of the installation.

You may be asked on some occasions to work the weekend if an installation has a deadline to hit, but this is rare.

When overnight stays are required, ESP will provide accommodation and a subsistence allowance to pay for meals. You will also be paid for your travel time.

All ESP employees must undergo an Enhanced DBS Check before starting employment.

All Branded Workwear and PPE will be provided and must be always worn onsite

You will be issued with a Van, Fuel Card, Mobile Phone, Tools

Requirements:

- Full Clean UK Driving License
- A minimum of 3 years' Experience installing Playground Equipment, Groundworks, Surfacing, Artificial Grass, Thermoplastic markings, Joinery experience is desirable.
- Ability to read installation instructions
- Ability to mark out your site from detailed site plans provided
- CSCS, CPC/NPORS, Manual Handling, First Aid, SSSTS, Abrasive Wheels, CAT Scanner, PASMA Preferred but not essential
- Very labour-intensive role must be physically fit
- Working outside in all weathers
- Flexibility on Work Hours
- Available to stay away from home Mon – Friday if required
- Must be willing to travel to where the job location is (Nationwide)
- Good Team Player
- Going the extra mile to get the job done and 100% Customer Satisfaction
- All Installations to have a full compliant Post Installation Inspection Report to BS EN 1176
- Trustworthy and Reliable
- Good Sickness and Attendance Record
- Good Problem Solver
- Smart Appearance
